

NorwegianTrans Quarterly

Summer, 2009

Dear Customer,

Greetings again to everyone and welcome to the second edition of NorwegianTrans Quarterly for the year 2009. As always, we hope everyone has managed to find enough work through the slow times of Winter and Spring, and with any luck through a questionable economy, may Summer put us back into a more familiar territory that comes with the warm weather. Further, we want to welcome the new customers and we will thrive to do our best to stay in touch with our long standing customers as we move forward into the Summer and Fall of 2009.

As some of you may already know, there has been a reduction in our pricing due to a very favorable exchange rate for the Norwegian kroner. The complete, updated Price Guide for 2009 can be found [here](#). This new Price Guide is guaranteed until August 30, 2009.

We (NorwegianTrans ANS) are currently updating our [website](#) for 2009, which will include links to work samples that can be found on the front page. These are samples that cover the range of subjects that we are experienced in, and have translated throughout the duration of the company. Although the samples are of actual work that we have performed in the past, all references to products and customer names have been removed to honor any confidentiality agreements.

In conclusion, we highly appreciate each and everyone of you, new customer or old, and we look forward and hope to continue a productive working relationship and a prosperous 2009 with you all!

Please keep those offers coming!

Best Regards,

Jerry
